How does it work?

Step 1: Visit the Ithaca Alternative Gift Fair in-person or online on 11/20/21 and discover the difference your donations can make by talking with local nonprofit representatives.

Step 2: Make donation(s) in your loved one's name(s) to any number of over 35 local organizations (see website for a full list!) that fit their priorities and values. Gifts can be made by cash, check, or credit card and can be made privately at our (new!) central checkout station.

Step 3: Take away insert cards you can gift to loved ones describing the gesture you have made in their honor.

For more information, visit www.IthacaAltGiftFair.org
